# FAQs

## Who is **APX**Capital ?

Tax Pay is one of a number of lending products offered by APX Capital, a wholly owned subsidiary of Apxium Technologies Ltd Trading as Apxium ([www.apxium.com](http://www.apxium.com)). Apxium Group provides a range of SaaS and Fintech solutions to its customer base in Australia, UK, Canada and US.

## What businesses will benefit best from Tax Pay?

Businesses who want more control and choice over their cash flow and paying tax.  
Businesses who like simple, easy, tech solutions to optimise operations.  
Businesses who want to maintain focus, and momentum.

## What is the eligibility criteria to create a facility?

Tax Pay requires businesses to have;

- been operating for at least three years,
- an active ABN,
- provide debt service capability,
- tax bills to understand what needs to be paid.

We require further information and assurances depending your business ownership structure.

## How quickly can I settle my tax debt?

Tax Pay provides a simple, seamless application and approval process. Once approved, you have an everlasting facility(subject to annual review) where you can drawdown against a tax bill at any time within the Tax Pay portal.  
Tax Pay will settle to the ATO overnight (subject to banking cut off times).
